Notes and rests in 4/4

A bar of 4/4 has four beats. The quarter note is one beat. Every row below lasts exactly one bar: the more notes in a row, the shorter they are.

NOTES: HOW LONG YOU PLAY

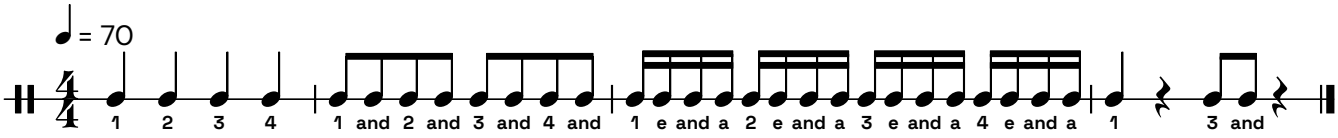

RESTS: HOW LONG YOU STAY SILENT

WHOLE REST	HALF REST	QUARTER REST	EIGHTH REST	SIXTEENTH REST
4 beats	2 beats	1 beat	½ beat	¼ beat

A rest lasts as long as the note with the same name. You play nothing, but you keep counting. The whole rest hangs below the line (a hole), the half rest sits on the line (a hat).

COUNT OUT LOUD

KEEP GOING
